

Description of activity

Incy wincy spiders

Equipment required

Black paper/card, black paint, googly eyes, white chalk, black wool

Instructions

Prepare some black paper for the legs for the spider and the hats, cut some circles for the body of the spider and some large strips to make the spider hats. (measure the child's head and fix to size) stick the legs and and make some eyes.

For the handprint spiders either draw around and cut out or use handprints to make the spiders then draw on the web or make from string or wool, add the eyes.

Use the incy wincy spider nursery rhyme and any spider story books you may have to talk about spiders, count their legs and talk about their webs.
