

Description of activity

Simple car craft Activity

Instructions

This is an imaginative activity where the children are making their own car in their unique styles. Let them design and decorate how they feel best letting them explore different ways of creation.

If you have any books with cars then incorporate this into the activity, talk about different cars, colours of cars, what parts are on cars. How CAR is spelt, what other words start with the letter C. Ask about what cars they have seen and what they know about cars and sounds of cars.

Equipment required

Paper Plates, Paint, black Card, coloured pens, (You can use any other materials to decorate)

EYFS benefits

Let the children be as creative as possible with colours and themes. Talk to the children about how cars work, How wheels work, what makes them move and the shapes of different cars. The sounds cars make and the important of being safe inside a car
